Notes : expenses for visits and activities are added together and divided by the number of months in the prefecture/city

NOTES : My initial budget will be a little higher because on the day of departure I'll have 2 additional salaries (for March and April 2024).

My initial budget will therefore be around **¥ 1 759 958** , so with the additional money I'll reduce my working hours (if my budget allows).

I've preferred to present a program with the amounts I currently have at my disposal, for better understanding and realism.

TOTAL REVENUES FOR THE PERIOD (A) : **¥ 1 866 800**

TOTAL EXPENSES FOR THE PERIOD (B) : **¥ 1 547 708**
