Details for the Expensifi:

Transport:

I will charge ¥10 000 on the IC card for the start of the month. And at the half of the month, I will recharge another ¥10 000. And walk for a small trip. Take the bus when this is less expensive. Rent a bicycle (¥1500 for rent and add 500 for each day) to try first in Nagoya.

Phone & internet: Holafly Sim card will only data, 3 day:3 day internet, ¥1 890

[Sakura mobile](#) : 30 GB ¥5 5080 for activation fee and ¥3 980/month. Just need to change the residence address each time.

Foods: Groceries for home-cooked meals, snacks and restaurants or cafes. So I set a budget to ¥40 000.

This is what I have found online. I probably need to see myself too. For premade food, buy them after 6PM.

Place there to buy	What there sell ? Information	place
Gyomu Supper	Vegetables, frozen food, meat in a big pack. Have some important snacks too.	Tokyo Nagoya Sendai Fukuoka
Tachiya	for vegetables and fish, have a lot of base food (vegetable, fish).	Nagoya
Hanamasa	Vegetables, meat in a big pack. Frozen food too.	Nagoya (bit a little bit to far for me) Tokyo

Cleaning Supplies: I have seen on amazon japan but some supplies will last for more than 1 month and there will be better prices if I check in person. So if i buy all of this this will be approximately ¥13 863 for 2 months. so for one month, ¥6 931. But just in case, I will say ¥8 000.

Mandatory Japan Insurance:

This fee is based on the previous year's income per household basis and age.
By default I will put ¥5 000.
