From the beginning of my stay to the end	KANSAI REGION / OSAKA : I will stay at the J-Hoppers Osaka Universal guest house for the entire duration of my stay as it will also be the place where I will work here as a voluntary.	As Osaka will be the place I'll be staying and working in, I plan to visit as much districts and places of this city as I can and as well as museums and shrines, especially the Museum of History. I plan to visit Universal studios too as it's very close to my place of stay. I'll be working 12 hours split between 4 days per week, I will not get paid, I chose this place especially for the very light schedule that will allow me to travel around the country while having a place to return to. my total budget when arriving will be of 8000 euros and I will occasionally get money from my parents during my trip. I will travel around the country during my off days and will visit Osaka and the close cities during the afternoons of my working days. My budget will be used to cover my daily life expanses like food and transportation but it will mostly be to finance my various travels to the different regions of the country.
From the beginning of my stay to the end	KANSAI REGION / KYOTO : Since Kyoto is very close to Osaka, I plan to often go to Kyoto to visit it, as Kyoto is one of the cities I am the most interested in visiting. I will probably return to Osaka as it is not far or book a night in a ryokan or hostel.	Like Osaka, Kyoto is a city I plan to visit thoroughly, especially the shrines like the Kinkaku-ji, I also plan to visit the Nintendo Museum as Nintendo is a massive part of my childhood. The Toei Kyoto Studio Park is also a place I wish to visit.
Early December	KANTO REGION / SAITAMA : I always wanted to visit Saitama, the main reason for me going there in early december is to witness the Chichibu Yomatsuri, I will book a hostel or a ryokan	Saitama is a place I heard great things of from the people I talked to that went there, in addition to the Chichibu Yomatsuri that I plan to see during my stay there, I wish to visit Sakura Town and the Totoro forest, as My Neighbor Totoro is my favorite Ghibli movie.
Late January	KANSAI REGION / NARA : I didn't really visited Nara in depth when I went to Japan for the first time, I plan to go there multiple times as I am very interested in the buddhist heritage of this city.
