Early February	HOKKAIDO REGION / SAPPORO : I will either book nights in a ryokan or stay at my friend's place	One of the main objectives of this 1 year trip is to witness the beauty and the winter landscape of Hokkaido during it's coldest season, the Yuki festival is also an event I don't want to miss out on, and I would also plan to visit the countryside of Hokkaido trying to know more about the Ainu culture in the Akanko Ainu Kotan I will also visit my friend who's from Hokkaido.
Whole Month of March	KANSAI REGION / OSAKA / KOBE : I will stay at the hostel where I'll be working as a voluntary	I plan to spend the whole month of March in Osaka to witness the arrival of spring, I will also take the occasion to visit the cities near Osaka like Kobe.
Middle of April	KANSAI REGION / TOYOOKA / KINOSAKI I will go a few weekends in this area in ryokans or hotels	I will go to Kinosaki mainly to enjoy the onsens that this area proposes, and as well the Onsen Matsuri that is held late April.
Early May	KYUSHU REGION / FUKUOKA : The Kyushu region is an area I plan to visit during the whole summer by spending multiple week-ends and days off to visit.	My reason for going to Fukuoka for the first time in early May is mainly for the Hakata Dontaku festival. I also wish to visit the Hakata bay as Japan's resistance against the Mongols is a part of Japanese History I am deeply interested in.
